

10 ESSENTIAL TEXTS TO MEN

1. [After you meet a new guy] **“Hope the rest of your night was good without me...kind of;)”**
2. **“I’m not supposed to text while I’m at work, yet you keep tempting me to pull out my phone. I knew you were trouble.”**
3. **“I keep thinking about you and it’s annoying me”**
4. **“I had a dream about you last night...”** [And when he inevitably asks what it was about, you reply]: **“Can’t say, but I’ve never seen that side of you before ;)”**
5. [To get him to stop texting and pick up the phone and call]: **“I haven’t heard your sexy voice in forever.”**
6. [To get him to stop texting and ask you out on a date]: **“My thumbs are tired of flirting - we’re gonna have to do it in person soon or they may give up on me.”**
7. [The high-value way to respond to his late-night Booty Call text]: **“Two sexy people like us getting together this late spells trouble;), but I’m around tomorrow afternoon - give me a call in the morning if you want to do something”**
8. [What to text him if he disappears]: **“Just out with my friends seeing that cool band {Insert Name} we talked about. Why aren’t you here!”**
9. [How to respond to his last-minute requests to see you]: **“You’re sweet for thinking of me, although I already have plans tonight. Would be great to get together soon though. Let’s see if we can make plans in the future, last minute doesn’t always work with my schedule.”**
10. [To guarantee he thinks about you all day long]: **“What do you say we get home tonight, keep all the lights on and get into some trouble?”**
